

WEEK TEN

MAKING THE MOST OUT OF LIFE

WATCH *Impact: I Can Make a Difference*

Big Idea

We all have an innate, God-given desire to make a difference. When we know Jesus personally, He empowers us to serve His Kingdom in a way that can forever change the lives of others. We are all called to use everything God has given us to serve others and to share the love of Jesus. When we live like this, we get to contribute to the Kingdom of God in a way that continues to impact the world long after we go to Heaven.

You, then, why do you judge your brother or sister? Or why do you treat them with contempt? For we will all stand before God's judgment seat. It is written: "As surely as I live," says the Lord, "every knee will bow before Me; every tongue will acknowledge God." So then, each of us will give an account of ourselves to God.

ROMANS 14:10-12 NIV

Discussion

- What do you believe is the greatest inheritance that you can leave for your children or loved ones? What can you start doing today to be more intentional about creating or sustaining that legacy?
- What would you want the people who know you best to say about you when your life is over? What in your life would have to change to make that a reality?
- Identify someone you know personally who seems to be living out God's purpose for his/her life well. What characteristics does that person embody that you would like to see in your own life?
- God has given each of us specific gifts and abilities. What are some of those gifts and how can you use them to impact others?

Prayer Focus

Pray for your eyes to be opened to the needs around you. Ask God to show you how to use your time, resources, and gifts to bless others.

Next Steps

- Decide as a group how you can help each other build a legacy. Create opportunities to bless others together and invite people to join you. Your faithfulness will make a difference in the lives of others.
- Now that this Small Group has come to a close, identify one next step you could take that would have the biggest impact on your relationship with God. Once you do, share it with a friend or someone from the group for accountability.
